ORDER

No. 20-CV-578 (CS)

Seibel, J.

By Order dated April 7, 2021, (Doc. 15), I noted that Plaintiff had failed to timely seek a default judgment as previously ordered, nor had it advised the Court that a hardship declaration had been submitted by Defendant. I further stated that if Plaintiff did not do one or the other by April 14, 2021, I would dismiss the case without prejudice for failure to prosecute. Before April 14, Plaintiff attempted and failed to obtain a Clerk's certificate. It has nothing since then. Plaintiff having not either sought a default judgment or advised that a hardship declaration has been submitted, this case is hereby DISMISSED without prejudice for failure to prosecute pursuant to Federal Rule of Civil Procedure 41(b). The Clerk shall close the case.

SO ORDERED.
